DR. LEONARD G. HOROWITZ

Award-winning Author, Filmmaker,
Natural-Healing Expert & 528 Frequency Pioneer

In 2007, this Harvard-trained consumer health expert decrypted the “Real da Vinci Code” revealing cures for virtually all diseases based on the musical-mathematics of creation.

Dr. Horowitz explains why several of the most popular recording artists of all time used 528, and how you can use it too to secure health, peace and freedom from deadly drugs and risky vaccines. Dr. Horowitz is the author of 19 books, 6 documentaries, and considered the best credentialed, most-prolific, articulate, and most controversial champion of natural medicine in the world today. Joining the doctor at this seminar is certain to be among the most beneficial, influential, and educational events of your lifetime.
